

Religious Education

In Year 10 students continue to study Beliefs and Values, though this is not an examined course.

The topics we will consider in **YEAR 10** are:

Politics and power

Including the structure and function of parliament
Representation
Voting systems

Sex and Relationships

Including media distortion and body image
The impact of pornography
LGBT+
Mental health and well-being

Difficult decisions – Ethical decision-making

A study of key ethical systems and thinkers
Situations and scenarios to apply ethical systems

Human Rights

Including the Human Rights act, the Universal Declaration of Human Rights and the European Convention on Human Rights.

Careers

Including where to seek independent advice and guidance.

For any further information please contact Mr Jones, Curriculum Leader of Beliefs and Values.
