

# Mathematics

Students are following the **Edexcel Linear Mathematics 9-1** course.

- 100% Examination
- No coursework
- 1 hour 30 mins Non calculator paper
- 1 hour 30 mins Calculator paper
- 1 hour 30 mins Calculator paper

**Tier of entry:** Higher grades 9 - 4  
Foundation grades 5 - 1

## Mock Exams

Maths mocks are held separately from other mock exams as we will be taking advantage of the services of PiXL who will analyse our mock papers and return data that will allow students to identify specific areas for revision purposes.

Part 1: November 2018 (exact dates TBC)

Part 2: February 2019.

## Revision

Resources available to help with your child's revision:

- MathsWatch - <https://www.mathswatchvle.com>
- Method Maths
- PiXL Maths App
- Corbett Maths
- Revision sessions organised around the examination.
